I am later than usual with this newsletter because the first part of June has been full of activity. I will have to wait until the next newsletter to tell about that stuff.

May calls took me to places around Tigard. Some were assisting those who had just lost a spouse and their families. One was a suicide and making notifications to family. I probably had the most challenges with making the notifications regarding the suicide do the distance involved and lack of direct telephone connections with family members.

This is the first news letter I am able to use my updated software to write and send it. It is nice to keep the formatting in the email.

The Maxima is running well and is fun to drive.

I have been asked several times about how people can donate to me. So I thought would take some space in this newsletter to explain that. I want to say thank to each of you who are donating to me, it helps a lot each month.

I ask you to join me in this ministry in two ways. The first way is prayer support as I serve in this important ministry. The second way is monetary support. I need to raise my financial support. Any amount, any time is appreciated.

Let me explain how you can donate. I am also with the Northwest Sheriff's Chaplain's Association / Peacekeepers Northwest. This is a 501c3 organization. You will receive a tax-deductible receipt, NWSCA will get 5% for administrative services, and I will receive the rest. My tax situation means that I will not have to pay any taxes on the money you give to me, all of it, less the 5%, will go directly to my support.

You can go to the NWSCA website at www.nwsca.org to see what the organization is all about. Their mailing address is PO Box 4143, Hillsboro OR 97123. Please send your checks payable the "NWSCA / Peacekeepers Northwest" to this address. Please also mark that you are donating to me so it can be put in the proper account. Thank you.

One interesting day in June. I was at house for a death in the morning and I officiated a wedding in the evening. More next month.

Take Care.
